

To: Rush Township Board of Supervisors

Feb. 17 2004

Dear Supervisors,

I have recently purchased the property on Route 309 known as the Star Gas property. This parcel is currently located in an S-1 zoning district, the history of this property, formerly Thomas Gas Co. and most recently Star Gas Co. has proven that it has always been a commercial use. I am respectfully requesting that an extension of the C-2 zoning district be allowed for the continued commercial use of this parcel.

Thank You

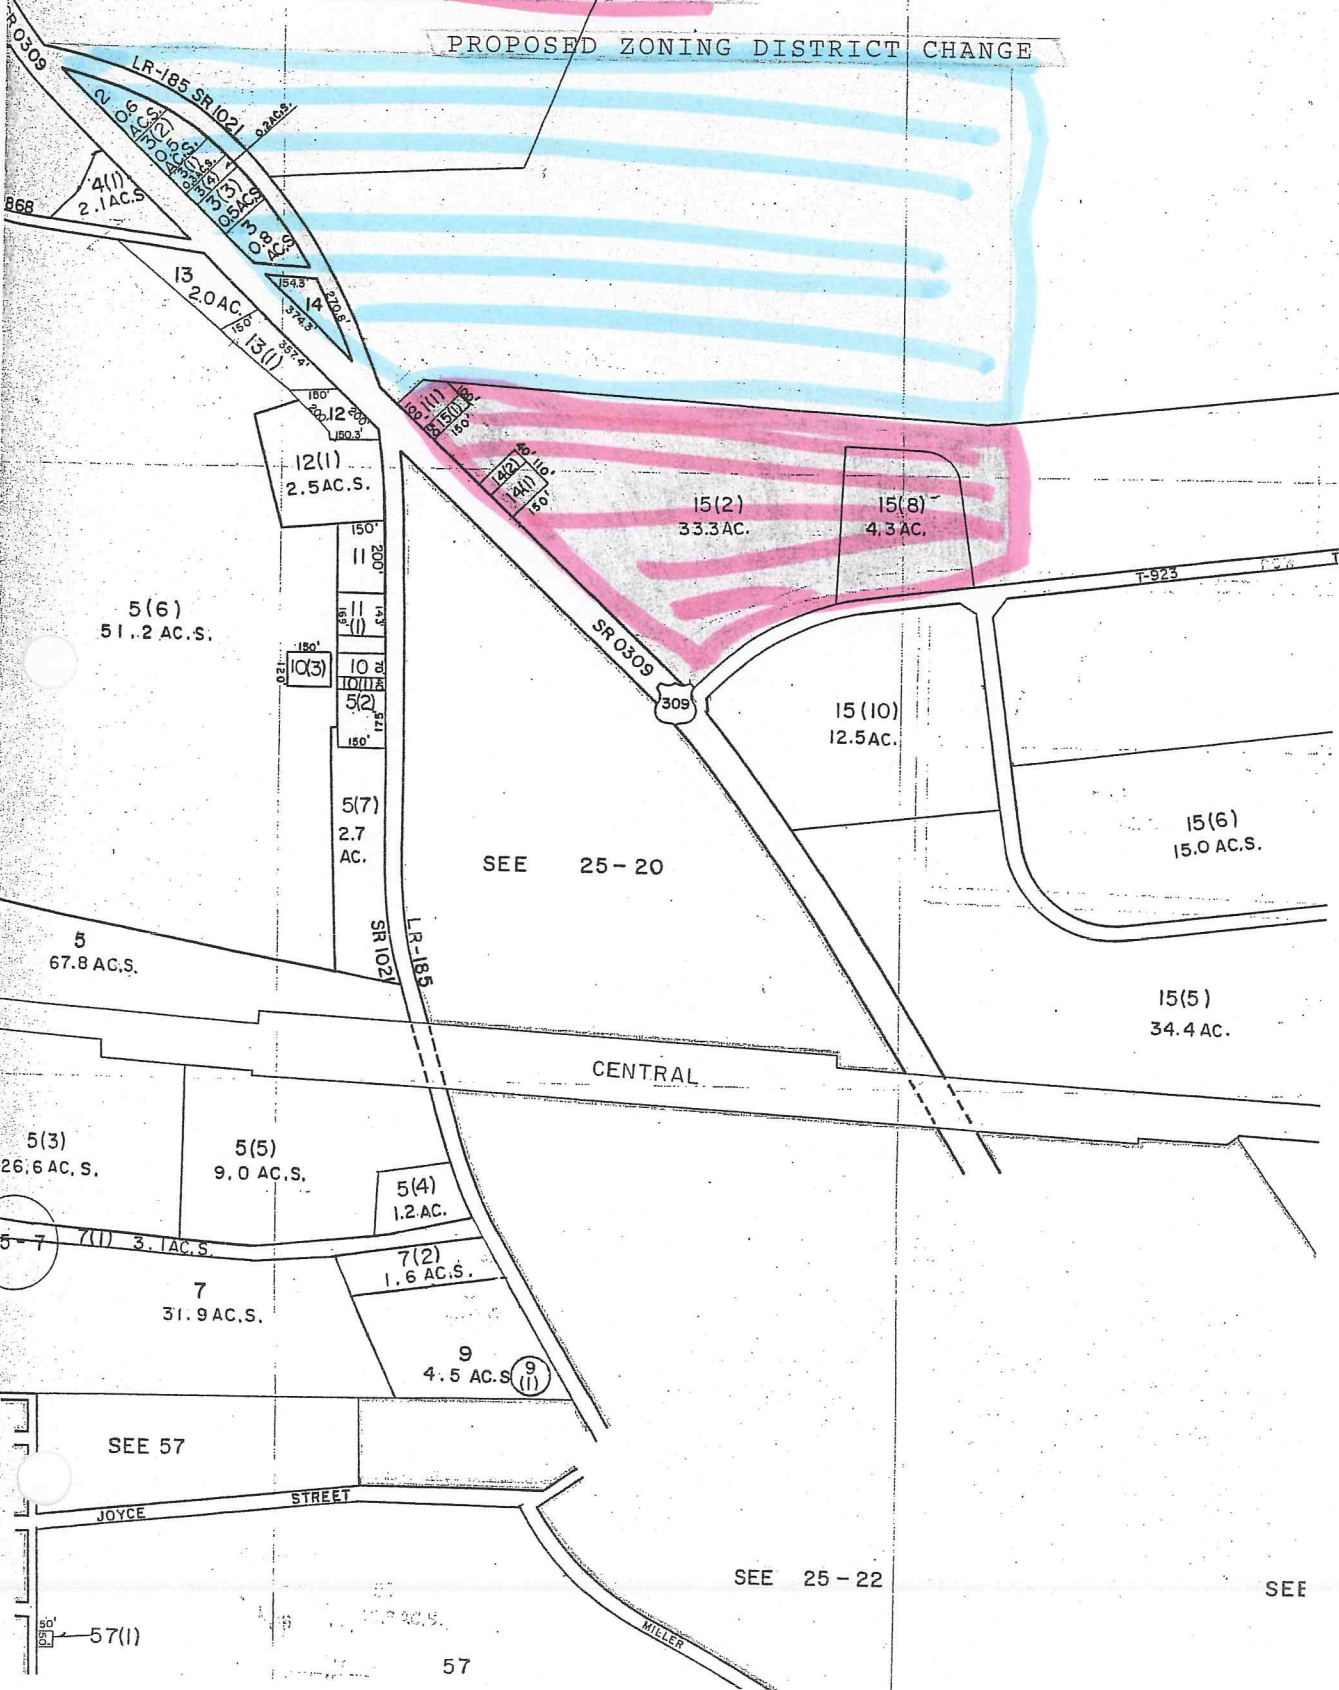

Wayne Postupack
