

RESOLUTION NO. 2016-13

RESOLUTION OF THE TOWNSHIP OF RUSH APPROVING SUBMISSION OF NORTHEASTERN SCHUYLKILL JOINT MUNICIPAL AUTHORITY (NESJMA), A CONSTRUCTION FUNDING APPLICATION TO THE COMMONWEALTH FINANCE AUTHORITY UNDER THE PA SMALL WATER AND SEWER PROGRAM FOR GRANT FUNDS TO BE USED TOWARD THE INVESTIGATION AND REHABILITATION OF THE TOWNSHIP'S SANITARY SEWER SYSTEM.

The Rush Township Board of Supervisors having met this 27th day of October, 2016 in public session, has approved this funding is being requested to assist the Northeastern Schuylkill Joint Municipal Authority to undertake improvements at their wastewater treatment plant. The Project consists of three parts.

Contract A includes all work associated with maintenance of the existing steel wastewater treatment plant tanks.

Contract B includes the installation of a digital data logger and digital, tipping-bucket type rain gauge at the facility.

Contract C includes the purchase and installation of a pavilion – type roof over the existing UV disinfection system.

The Municipal Governing Body authorizes Northeastern Schuylkill Joint Municipal Authority to submit the application for funds on its behalf.
